Revised: 1/24/94; 10/1/96; 9/1/97; 3/31/99; 7/5/04; 9/1/04

SUBJECT: Appointment and Pay of Student Employees

AUTHORIZATION: Whitman J. Kling, Jr., Deputy Undersecretary

I. POLICY:

It is the policy of the Division of Administration (DOA) that the appointment of student employees shall be solely to enhance the accomplishment of the mission of the agency. Appointments shall be done equitably and in accordance with Federal and State Law and Civil Service Rules. Students must always meet the definition of Bona Fide Student contained in the Civil Service Rules (see definitions).

II. PURPOSE:

The purpose of this policy is to assure equity and compliance with the law in the employment and pay of students throughout the Division of Administration.

III. APPLICABILITY:

This policy shall be applicable to all student employees in all sections of the Division of Administration, both appropriated and ancillary.

IV. DEFINITIONS:

"Bona Fide Student" means a person enrolled in an accredited high school, college or university in the State, or a person enrolled in a State-operated technical college, in a sufficient number of courses and classes in such institution to be classified as a full-time regular student under the criteria used by the institution in which he is enrolled; or a person enrolled in an off-campus college work-study program in a proprietary institution of higher education as defined in Section 102(b) of the Higher Education Act of 1965, as amended. Less than full time students may be considered for employment

as bona fide student employees only for work performed under the Federal Work-Study Program. A bona fide student shall retain his status during breaks, which occur in the course of or between sessions, including summer breaks. In addition, colleges and universities may employ their own full-time and part-time students as bona fide students.

V. PROCEDURE:

A. APPLICATION FOR STUDENT POSITIONS:

1. Student applications (SF-10D) may be obtained from the Department of State Civil Service (DSCS) website at:
<http://www.dscs.state.la.us/Forms/studentapplication.doc> or from the personnel liaison in each section.
2. A student application shall not be considered unless it has been certified by the registrar or delegated school official of the appropriate school.
3. A certified student application may be forwarded to the Office of the Commissioner or his delegated representative where it shall be maintained on file for the duration of the semester during which it was received.

B. SELECTION OF STUDENT APPOINTMENTS:

No applicant who is the:

Brother	Grandmother	Aunt	Step Mother
Sister	Grandfather	Uncle	Step Father
Mother	Grandchild	Step Child	
Father	Niece	Step Brother	
Daughter	Nephew	Step Sister	
Son			

of a current employee of the section may be appointed in that same section. The above restrictions apply to student workers related through either blood or marriage.

Whenever possible, relatives of Division of Administration employees should be given strong consideration when selecting student employees for sections other than those where relatives are employed; however, for appointments not prohibited by this policy, the best-qualified applicant must be selected.

C. REQUIRED DOCUMENTATION FOR APPOINTMENTS:

Sections are responsible for obtaining and maintaining all documentation required for student appointments and subsequent student pay raises, (i.e. proof of past work experience and educational level etc.) in the section at all times.

The following documentation must be forwarded to the Employee Administration Unit when requesting a student appointment:

1. A completed Personnel Action Request (PAR) form, which specifies within the remarks section the points attained for educational level and work experience (both state and non-state). Points are determined by the Student Pay Schedule listed at the end of this policy.
2. A certified student application (SF-10D).
3. An employment certificate for students under the age of 18. The student applicant should contact his/her school to determine where an employment certificate may be obtained and what documents must be presented in order to make application for the employment certificate. In many cases, the school itself will issue a certificate. Otherwise, the school board for the parish in which the student applicant resides should issue the certificate. Documents that normally would be required in order to receive an employment certificate would be an "Intent to Employ" form (located on the Louisiana Department of Labor's website) and suitable documentary proof of age of the minor (i.e. birth certificate, driver's license).
4. Proof of selective service registration for all males between the ages of 18 through 25. This may be obtained on the Internet at:
<http://www4.sss.gov/regver/verification1.asp>

D. OFFER OF EMPLOYMENT:

The employing section shall not make a commitment for employment until the student has taken and passed a drug screening, and the PAR has been approved by the appointing authority. All appointments are subject to verification of the employee data by the hiring section, with final verification by the Employee Administration Unit within the Office of Finance and Support Services.

Students shall attend an Orientation Program in the Employee Administration Unit within the first week of employment.

E. WORK HOURS:

1. Work hours for students 18 years and older may be set by the section head based on need and availability of the student.
2. Work hours for students under the age of 18 must be in accordance with the Fair Labor Standards Act (FLSA) and Title 23, Chapter 3 of Revised Statutes of 1950, as amended, which require that:
 - **Students under the age of 18** shall not work for any five-hour period without one interval of at least 30 minutes within such period for meals. This interval shall not be included as part of the working hours of the day and shall never be reduced to less than 30 minutes. The break must be scheduled at a specific time and entered on the written work schedule.
 - **Students 17 years of age** who have not graduated from high school shall not be employed, or permitted, or suffered to work between the hours of 12:00 a.m. and 5:00 a.m. prior to the start of any school day.
 - **Students 16 years of age** who have not graduated from high school shall not be employed, or permitted, or suffered to work between the hours of 11:00 p.m. and 5:00 a.m. prior to the start of any school day.
 - **Students under the age of 16** who have not graduated from high school shall not be employed, or permitted, or suffered to work between the hours of 7:00 p.m. and 7:00 a.m. prior to the start of any school day, or between the hours of 9:00 p.m. and 7:00 a.m. on any day.
 - **Students under the age of 16** shall not be permitted or suffered to work more than three hours each day on any day when school is in session, nor more than eight hours on any non-school day, nor more than eighteen hours in any week when school is in session, nor more than six consecutive days in any one week, and no more than 40 hours in a non-school week.
 - **Students under the age of 14** shall not be employed, permitted, or suffered to work at any time.
 - **Students 16 years of age or younger** shall not drive any motor vehicle on a public road as part of their jobs.
 - **All other minors** (17 and above) may be employed, permitted, or suffered to work as drivers of a motor vehicle under the following

restrictions: The driving constitutes no more than one-third of the minor's work time in any work day and no more than 20% of the minor's work time in any work week. Driving shall be restricted to daylight hours and the minor must hold a state license valid for the type of driving involved in the job performed and has completed a State approved driver education course, and provided further, that the vehicle is equipped with a seat belt or similar restraining device, and the section head has instructed the minor that such devices must be used.

F. EMPLOYMENT CERTIFICATES:

Title 23, Chapter 3 of Revised Statutes of 1950, as amended requires that:

Each section employing minors (under the age of 18) shall keep on file a copy of the employment certificate for each minor. This certificate shall be accessible on the job site, or in the immediate area of the work location, and at all times should be accessible to any officer charged with the enforcement of the law governing the employment of minors.

G. PROHIBITED EMPLOYMENT:

Title 23, Chapter 3 of Revised Statutes of 1950, prohibits minors to be employed, permitted, or suffered to work in certain occupations. The Louisiana Minor Labor Law Placard outlines the types of employment which are prohibited.

H. PAY RATES:

1. Student employees shall be paid on an hourly basis, only for those hours actually worked (this does not include time provided for lunch breaks).
2. Pay rates shall be based on a combination of educational level achieved and work experience that can be documented by the section. The current rates are detailed on the Student Pay Schedule (attached).

Students who are unable to immediately provide documentation of previous work experience may be hired at a pay rate which can be justified with available documentation, i.e. copies of previous pay stubs. At such time that the student provides necessary documentation, his/her salary may be adjusted appropriately (but not retroactively).

All requests for student pay changes must be submitted to the Employee Administration Unit on a PAR form. Sections must document in the

remarks section of the PAR the points earned for educational level and the points earned for work experience (both state and non-state). Documentation supporting the PAR should reside in the section.

3. Student pay rates may be modified, based on the individual's possession of special skills or experience, special job demands, location, or when the student is performing work which is comparable to work performed by professional level staff in an office. Any pay modification must be

completely justified in writing and approved by the Commissioner or his delegated representative.

4. OVERTIME:

STUDENTS SHALL NOT BE ALLOWED TO WORK OVERTIME EXCEPT FOR EXTRAORDINARY CIRCUMSTANCES WHICH MUST BE FULLY DOCUMENTED BY THE SECTION HEAD.

FEWER THAN 40 HOURS WORKED IN A WORK WEEK: If a student is required to work over 8 hours in a day, on a holiday, or on a weekend, and that student will not have worked over 40 hours in the applicable work week, he/she shall be paid in accordance with his/her hourly rate (straight time pay) and only for the number of hours that work was actually performed.

MORE THAN 40 HOURS WORKED IN A WORK WEEK: If a student is required to work over 40 hours in a work week, and that student is designated as FLSA Non-exempt (most will be), he/she shall be paid at time and one-half his/her hourly rate of pay for the excess of 40 hours. The time and attendance document must appropriately reflect the non-exempt designation.

5. Recommendations for pay increases must be based on the student having a "Meets Requirements" or above performance rating.

I. TIME AND ATTENDANCE RECORDS:

Accurate time and attendance records must be maintained for all student employees. However, it is especially critical to show compliance with the law that specific records be maintained for students under the age of 18 who work five or more consecutive hours in any one day. These records must show precisely when the employee began work, when the thirty minute break was taken within this five-hour period and when the employee ended work. The

beginning and ending of work must fall within the provisions of the law. If the employee works as many as five consecutive hours, the break may be no shorter than thirty minutes, the employee must not perform any work during this thirty-minute period, and the thirty-minute period may not be included as part of the working hours of the day. A recommended time sheet format is included at the end of this policy.

J. RECERTIFICATION:

Each student must present a new and current Student Application (SF-10D) at the beginning of each new semester. The document must be certified by the college, university, or school. Failure to present this document within one week of the start of the new semester will result in termination of student employment.

By signature on the Application for Student Employment, the student agrees to promptly notify the proper agency official of any change in status as a student, including any reduction in courses taken, termination of student status, or scholastic probation. For purposes of this policy, the proper agency official is the supervisor, the section head, or a manager in the Employee Administration Unit.

A student who is a Bona Fide Student in the spring semester and plans to be a Bona Fide Student in the fall semester is not required to attend summer school in order to work during the summer.

VI. POSTING:

It is required by law that the employer of minors keep conspicuously posted at the place of employment the Louisiana Minor Labor Law Placard. The Placard must be posted in the building housing each section of the DOA. Sections not housed within the Claiborne Building are required to post the placard in an accessible and conspicuous area within their facility. This Placard is only an abstract of the provisions of the law. Any questions regarding the placard or the law should be directed to the Office of Human Resources.
